Stewardship

We believe in

- supporting the values of *Ontario Parks*, and those of *MacGregor Point Provincial Park*
- the preservation of natural, historical and cultural aspects of the MacGregor environment
- the basic principles of environmental conservation

Communication

We believe in

- practicing effective communication with all stakeholders using a variety of media

Education and Interpretation

We believe in

- the importance of interpretive and educational programming for all ages
- the need for a fully equipped, functional and accessible *Visitors Centre* to support FOM and Park program initiatives and activities
- the enduring values associated with a ‘natural experience’

Sustainability

We believe in

- supporting the FOM through increased membership and active participation
- the need to seek out and cultivate partnerships that are mutually enriching
- ensuring responsible governance and the financial viability of the FOM
- contributing to Park resources through stewardship, education and communication
- the importance of creating a friendly, fun-filled and informative destination
- encouraging ecologically sustainable outdoor recreation in a natural setting
